Traveler Planning Notes & Algorithmic Directives

• Dress modestly when entering heritage tombs and religious precincts.

• Photography permits may be required for DSLR camera equipment.

• **Opening Hours Compliance:** Itinerary schedules have been matched with available operational timings. Please arrive 15 minutes prior to listed admission windows.

• **Road Traffic Buffers:** Leg travel times reflect modeled vehicle transit with a 15% city congestion buffer.

• **Dynamic Weather Adaptations:** In case of sudden inclement precipitation, outdoor sights can be swapped with adjacent indoor historical museums or science galleries without violating time feasibility.
