Traveler Planning Notes & Algorithmic Directives

• Special note: 100% verified & safe <recommended>.

• **Opening Hours Compliance:** Itinerary schedules have been matched with available operational timings. Please arrive 15 minutes prior to listed admission windows.

• **Road Traffic Buffers:** Leg travel times reflect modeled vehicle transit with a 15% city congestion buffer.

• **Dynamic Weather Adaptations:** In case of sudden inclement precipitation, outdoor sights can be swapped with adjacent indoor historical museums or science galleries without violating time feasibility.
